## Ventra

## EX4-RJ45 6PIN to RJ45 Converter Cable for XDR-450

## Feature:

- Converts the native 720PHD Port (CH5 / IPC Port) to RJ45 Ethernet Connection via EX4-RJ45 converter cable
- Provides connection to external WiFi Router or Cellular Modem for wireless connectivity and remote viewing via XDR software
- EX4-RJ45 occupies 1 CH (IPC port), leaving 4 Channels on XDR for camera connection
- Settings configured in XDR
